MASTER YOUR APTITUDE

Dear Parent,

'Master Your Aptitude' (MYA) is initiated at Vels Global School (VGS) as a foundational learning and preparatory platform for primary students to equip with skills and aptitude required to face future competitive examinations.

MYA test will start from May / June 2024 for primary grades III to V.

MYA is designed to accelerate the meta-cognitive abilities and make the learning enjoyable. We request parents are requested to motivate students to participate to kindle the cognitive abilities of perception, thinking, reasoning, and creativity. At any cost, DO NOT pressurize the students towards seeking out ranks.

ABOUT MYA

Master Your Aptitude test is designed to offer factual information about a student's specific abilities and skills and will help schools narrow down on focus areas for individual students and develop specific skills and abilities.

The MYA test covers seven dimensions: Language Aptitude (LA), Abstract Reasoning (AR), Verbal Reasoning (VR), Mechanical Reasoning (MR), Numerical Aptitude (NA), Spatial Aptitude (SA) and Perceptual Aptitude (PA).

The major skills corresponding to these dimensions will be – Thinking skill, Research skill, Communication skill, Affective skills, Critical thinking, Analytical reasoning and Creative thinking.

1. The test is held every week. (Each grade will be given a separate paper.)
2. Question type – Multiple Choice Questions
3. Questions will be grade appropriate testing specific set of skills and aptitude consisting of four main strands (English, Math, Science and Cognitive skills)
4. Number of questions – 25
5. Number of marks – 25
6. Duration – 40 minutes
