Annual Report 2025–2026

A very good morning to our esteemed Chief Guest- Captain Anandhan, Guest of honour, Director, dedicated teachers, proud parents, and dear students.

It gives me great pleasure to present the Principal's Report on this joyous occasion of our Annual Sports Day—a celebration of athletic excellence, perseverance, teamwork, and unity.

This year has been marked by outstanding achievements, with our students excelling in academics as well as in sports at zonal and national levels. Their hard work and determination have brought immense pride to our institution.

Today's celebration reflects the collective efforts of our sports department, teachers, and parents, who continue to nurture an environment where our learners can dream, strive and succeed — both on and off the field.

At Vels Global School, we believe that education is not merely a step towards life—it *is* life itself. It forms the foundation on which we build dreams, shape futures, and inspire change. A truly transformative education nurtures the mind, heart, and spirit—empowering every learner to grow into a compassionate, confident, and responsible global citizen.

The remarkable journey of our institution is anchored by the visionary leadership of our Board Members, led by our esteemed Chairman, Dr. Ishari K. Ganesh, and supported by our dynamic Pro Chancellor, Dr. Arthi Ganesh. Alongside Directors Dr. Meenakshi and Dr. Vijayakumar, their steadfast dedication and inspiring leadership have turned challenges into stepping stones. Their wisdom, passion, and relentless pursuit of excellence continue to guide us forward, creating a legacy that empowers every member of our community. We remain deeply grateful for their guidance, which touches countless lives and shapes our enduring success.

As we reflect on the academic year 2025–2026, we celebrate a vibrant chapter filled with innovation, inclusivity, growth, and meaningful learning. Today, our school proudly serves 1,225 students, supported by 71 committed teaching staff

and 49 dedicated office and non-teaching staff all working together to fulfill our shared mission of holistic education.

1. Academic Excellence

“Achieving Academic Excellence is at the Heart of our Endeavor as Educators.”

This year marked a significant milestone for us as we are granted CBSE Upgradation to senior secondary, reaffirming our unwavering commitment to upholding national standards of excellence in education.

"Our fully established library and state-of-the-art laboratories for Physics, Chemistry, Biology, and Mathematics provide students with immersive, hands-on learning experiences across all grade levels.

"Through our flagship *Academic Excellence Program (AEP)*, high-achieving students in Grades 10 receive targeted mentorship and advanced coaching from subject matter experts. This initiative has contributed to our outstanding academic performance, including a consistent 100% pass rate.

Our students participated in external competitive exams like SOF- NSO, IMO and Unified councils NSTSE, UIEO and bagged medals.

We have 13 students qualified for 2nd level in IMO and 10 students in NSO.

These accomplishments reflect our commitment to academic excellence, personalized support, and preparing students to thrive in a rapidly evolving global landscape.

A major strength behind these achievements is our **vibrant and dedicated team of teachers.**
